

Franklin Township Recreation
Summer Program 2011

Dear Parent,

It's time to start thinking July! The township summer program will run July 11 to July 22 from 9:00-12:00 noon at The Clinton Elks on Sidney Road due to school construction. Arts and Crafts, Board Games, Group Games, and Snack Time will be scheduled. Children will be responsible to provide his/her own snack and drink to be brought in a labeled bag with your child's name and group. Individual snacks will accommodate those on restrictive diets.

Children will be broken into age groups. Group I consists of children kindergarten age, Group II are children going into first and second grades, Group III are for those going into third and fourth grades, and children in fifth through eighth grade will be in Group IV.

Many special activities will be planned throughout the two weeks and a schedule will be handed out on the first day of the program. The Program runs rain or shine, but in the case of cancellation, a phone chain will be in place. We will not have the program if it is thunder or lightening. Return the form below to Franklin Township School or the township's Municipal Building by the **May 27 deadline**. Only one form is needed per family.

For more information call Joanne Hyland- 730-7912

*Please no cell phones at camp. A phone is available for emergencies.
